

Melbourne, Victoria

Rylands of Brighton provides the ultimate in five star, purpose-built independent apartment living with premium support services. The 71 apartments and common areas in the complex are protected by a Notifier Inertia Fire Systems AFP-2800 fire indicator panel to which are connected photo-electric smoke, thermal fire and Acclimate™ dual technology detectors.

To ensure total peace of mind for the residents and staff the fire system is interfaced to the smoke doors, sprinkler suppression and hydrant systems, Building Occupant Warning System, security and the Nurse Paging System.
