

Brisbane, Queensland

Nestled in one of the earliest areas of Brisbane settled by Europeans and surrounded by sites and buildings of immense cultural significance Suncorp Stadium home of the Brisbane Broncos, Queensland Rugby League, Queensland Reds, Queensland Roar and the Australian Wallabies seats 52,500 patrons. The venue has a range of hospitality facilities including 170 Corporate suites and boxes.

A combination of System Sensor photo-electric, 'VIEW' laser and VESDA very early warning aspirated smoke detectors reporting to a network of five Notifier addressable fire indicator panels protect this purpose built stadium from the threat of fire.

To ensure speedy evacuation in the event of an emergency situation, the fire system is connected to seven networked I-2000 Emergency Warning and Intercommunication System panels which allow emergency response teams to communicate with each other and advise patrons via the public address system on evacuation procedures.
